RECORD NUMBER OF STUDENTS
ON UM FALL QUARTER HONOR ROLL

MISSOULA--

A record 1,474 students have been listed on the 1973 University of Montana fall quarter honor roll, according to figures released by UM Registrar Emma B. Lommasson.

The total, 17.4 per cent of the 8,468 net enrollment fall quarter, is the largest number of students ever contained in a UM honor roll listing.

Of the 1,474 listed, 343 or 23 per cent achieved straight-A's for the quarter.

The honor roll is computed on a 4.0 or straight-A basis. To be eligible, a student must have either a minimum of 54 grade points with an index of 3.0 or B, or a minimum of 42 grade points with an index of 3.5 or B-plus. No student is eligible for the honor roll if he received a 'F' grade for the quarter.

The list of UM honor roll students was prepared by Lommasson's office and the UM Computer Center.

(Editor's note: Due to budget limitations, news personnel may receive only a portion of the entire list of 1,474 names. If you desire a more complete listing, please notify the office of Information Services, Main Hall 302, University of Montana, Missoula, Mont., 59801.)
